COMMENTS ON NOTICE OF ALLOWABILITY ACCOMPANYING NOTICE OF  
ALLOWANCE

Commissioner for Patents:

Applicants submit that the Notice of Allowability accompanying the Notice of Allowance mailed August 8, 2007 for the above-identified patent application contained a typographical error. Namely, the Notice of Allowability identified the allowed claims as claims 1-22 rather than claims 1-23. Applicants submit that claims 1-23 should have been identified as the allowed claims. In this regard, Applicants note that claims 14-23 were noted as being allowable in the Office Action dated May 18, 2007 and such claims were maintained

unchanged in Applicants' subsequent Amendment filed July 19, 2007. Accordingly, Applicants respectfully request that a corrected Notice of Allowability be issued.

Respectfully submitted,
